Work Experience

Undergraduate Tour Guide — New Haven, CT
Yale University Art Gallery — *Sep 2023 – May 2026*
- Led weekly 60-minute tours for groups of 10-20 visitors, improvising and modifying to audience questions and engagement.
- Researched the craftsmanship, cultural background, and historical context of artworks to develop four 10-page reports.
- Adapted in-person tours and self-written reports into concise 400-word scripts and recorded 4-minute audio tours, accessible on the Smartify app, a global museum content platform.

Graphic Designer — New Haven, CT
Jonathan Edwards (JE) College — *Sep 2022 – May 2026*
- Upheld JE College's identity across merchandise for a student body of 500, adhering to established brand guidelines.
- Designed merchandise for three consecutive years of the annual Tulip Princess tradition, featuring each titleholder's portrait.
- Produced 50+ promotional flyers, social media videos, and newsletters in Adobe Suite for college events and traditions.
- Created 30+ graphics, reusable templates, and original vector illustrations for recurring use.
- Collaborated with college staff and peers to workshop designs, incorporating suggestions and critiques.

Design, Communications, and Data Summer Intern — Houston, TX
St. John's High School (SJS) — *May 2022 – July 2024*
- Created infographics, videos, social media posts, brochures, and other promotional material for the SJS Phonathon, a fundraising event that raises an average of $300k annually.
- Interviewed notable alumni across diverse professional fields, tailoring questions to highlight their career histories; authored articles published in the SJS Alumni Magazine.
- Contributed to the transition of donation records from a physical to a digital database. Consolidated alumni board members and membership records from disorganized sources.

Leadership Experience

Jonathan Edwards College Council — New Haven, CT
Vice President/President — *Aug 2024 – May 2025*
- Led a council of 20+ members in brainstorming and executing college-wide events by managing budgets, coordinating with staff, and delegating student volunteers.
- Oversaw a monthly budget of $2,500, allocating the proper funds for college-wide events.
- Maintained weekly communication and collaboration with the Head of College, Dean of College, and Assistant Director of Operations to finalize event proposals and logistics.

Projects

Preserving Artistry in Automated Terrain Generation — *Aug 2025 – May 2026*
- Developed a 3D terrain generator that gradually fills grid cells with blocks derived from a supplied modular asset set.
- Developed a wide array of different models to illustrate the program's compatibility with various artistic styles.
- Presented a public showcase highlighting the program's near-endless outputs with varying audio cues and color gradients.

BAPI Farms — *Aug 2025 – Dec 2025*
- Built a 2D game demo and tilemap editor with three peers using a custom game engine built from scratch in D.
- Implemented player movement and object interaction, ensuring a clear and instinctive player experience.

Portfolio Website — *June 2026 – July 2026*
- Produced a personalized Website from scratch with HTML, CSS, and JavaScript, hosted online via GitHub Pages.
- Designed the website to easily add new content through separate data files without altering preexisting code.
- Blended visual appeal and storytelling to illustrate the depth and personal fulfillment of various projects.
